To: All Cooperating Associations
All CALs

☒ **Magpies and Mayflies**, an introduction to Plants and Animals of the Central Valley and Sierra Foothills

Magpies and Mayflies is a richly illustrated natural history guide designed for people who might live in or visit the Central Valley unaware of the wealth of life around them. It informs, but also moves and inspires. The book takes readers through the complexity and diversity of the Central Valley and foothills with clarity, playfulness and lively detail.

☒ This book is highly recommended for interpretive research and/or as an interpretive sales item where appropriate.

☒ Retail price: \$ 16.95 paper ISBN # 1-59714-003-1
